**Declaration by Parent or Guardian** (Please read the four statements below prior to signing)

- I understand the Council does not provide transport for pupils attending St Mary's Episcopal Primary School, Dunblane.
- I understand that if in the future I submit an application for a younger sibling, although it will be given a high degree of priority whilst the elder sibling remains at the school, there is no guarantee that the application will be successful.
- Applications for enrolment at St Mary's Episcopal Primary School are prioritised in line with the agreed council policy for the school. Successful applications for admission will be notified of procedures on enrolment by Education.
- I declare that, to the best of my knowledge and belief, all the information I have given in connection with this application is full and correct in every respect. I understand that the giving of any false information or withholding of relevant information may result in the withdrawal of the offer of a place at my chosen school.
